

BHRDCA Heritage – Summer 2025/26

The BHRDCA Heritage Committee was formed in 2006 and continues to build on its expanding database. This project took a foothold with the organisation of the BHRDCA's 125th Anniversary function (celebrated by >300 guests at the Box Hill Pavilion in February 2015).

Since the 125th, the statistical history of the BHRDCA HAS continued to grow. Two main documents reflecting the statistical history are published on the new Statistical Records Tab

Statistical Records

- BHRDCA – Records (1890/91 to 1985/86)
- BHRDCA – 2008 to current

BHRDCA Heritage created the “BHRDCA – 2008 to current” document to detail the BHRDCA records from 2008/09 through to 2024/25. This was developed using MyCricket data from 2008 to 2022/23 with statistical information extracted from Play HQ for both 2023/24 and 2024/25. This document will be updated at the end of each season and includes separate databases for Seniors, Veterans, and Twenty20 statistics.

It is the long-term plan to merge these two documents together by bridging the gap between 1985/86 and 2008/09.

The BHRDCA Heritage Committee is continuing work on.

- Compiling the records from 1986/87 to 1993/94 and add to “BHRDCA – Records”
- Adding available club statistics to the “BHRDCA – 2008 to current” document to bridge the gap between 1986 and 2008. Details have been recently added from following clubs: -
 - Bennettswood (1986 to 1993)
 - Blackburn (1986 to 2008)
 - Blackburn South (misc. 1990's)
 - Box Hill North (1992 to 2008)
 - East Burwood – Bennettswood (1993 to 2008)
 - Forest Hill (1983/84 and 1985/86)
 - Other clubs to have entered match information in My Cricket include Bulleen Templestowe, Burwood District, Glen Waverley Hawks, Koonung Heights, Laburnum, Mitcham, and Templestowe
 - BHRDCA Heritage also has annual reports and/or player statistics from Blackburn, Blackburn South, Box Hill Church of Christ, Deakin, Doncaster, and Vermont South
- Complete list of Senior, Junior, Twenty20 & Veterans Premierships for all Grades
- Compilation of affiliation records for every season from 1890 – 2025, for every grade, inclusive of ladder placings for all competing teams. (Completed to 1985/86)

- Update short biographies on more than 100 BHRDCA legendary players & administrators (as part of Hall of Fame)
- Update short histories of Clubs that have left the competition or folded during the competition's lifetime
- Digitisation of all BHRDCA Annual Reports and Fixture Books

BHRDCA Heritage will continue to collate and record information from scorebooks and annual reports sourced from a wide range of competing Clubs (some no longer affiliated with the BHRDCA). As part of this ongoing activity, we are always keen to hear from Clubs and past/present players who may have information from seasons before 2008 that was not recorded in My Cricket. We are interested in acquiring scorebooks, fixtures, Annual Reports, photographs and any other information relevant to the history of the BHRDCA and its Clubs.

BHRDCA Heritage loaded past season fixtures into MyCricket, with clubs (as listed above) loading available Scorebook details against these fixtures back to 1957/58. Although MyCricket is switched off, past games can still be viewed using the Play Cricket App.
