15. COMPULSORY CLOSURE - ONE DAY MATCHES

15.1 If play starts on time and there are no interruptions- A team's innings must be closed after 25 overs.

15.2 If play is delayed or interrupted, Saturday matches: a team's innings must be closed after 25 overs minus 2 overs for every 7 minutes lost (minimum 17 overs):

15.3 Team B's first innings is to be compulsorily closed after it has received the same number of overs as Team A was entitled to receive before compulsory closure.

Completion of Team A's innings shall be when it has received half the total number of overs on the first day added to the number of overs to be bowled on the second day.

Example: **FRIDAY** - Team A receives 36 overs on the first day, it is therefore entitled to receive a further four overs on day two before Team B bats. $36+50 = 86/2 = 43$. Team B is to face 43 overs.

Example: **SATURDAY** - Team A receives 45 overs on the first day, it is therefore entitled to receive a further two overs on day two before Team B bats. $45+50 = 95/2 = 47.5$ or 47. Team B is to face 47 overs.

Umpires shall determine No Balls in accordance with the relevant provisions of the BHRDCA Senior Competition Rules and, where applicable, the MCC Laws of Cricket (2017 Code).

24.1 When a No Ball must be called-

- (a) **High bouncing delivery-** Either umpire must call and signal No Ball if the ball, regardless of pace, bounces and then reaches (or would have reached) the striker above shoulder height when the striker is standing upright at the popping crease.
- (b) **High full toss-** Either umpire must call and signal No Ball if the ball, on the full, passes the striker above waist height when the striker is in their normal batting stance at the popping crease. Note: If the batter advances beyond the popping crease, a full toss above waist height is not a no ball.
- (c) **Multiple bounce delivery-** Either umpire must call and signal No Ball if the ball, regardless of pace, bounces more than once, or strikes the playing surface more than once, before reaching the popping crease at the striker's end.

24.2 Scoring a No Ball-

- (a) Byes and Leg Byes taken from a No Ball are recorded as Byes or Leg Byes, not as part of the No Ball tally.

- Scorers record: 1 No Ball + 4 Byes = 5 runs total
- Bowler is credited with only the No Ball.

25. WIDES

Umpires shall determine wides in accordance with the relevant provisions of the BHRDCA Senior Competition Rules and, where applicable, the MCC Laws of Cricket (2017 Code).
