A Brief History of the BHRDCA

Friday September 5, 1890 "Reporter Trophy"

The adjourned meeting of the delegates in connection with the above was held last Monday Night at the Railway Hotel, Box Hill. Mr. W. Meader Jnr¹. In the chair. The clubs represented were Blackburn, Box Hill, Canterbury, Mitcham and Ringwood. The Burwood Club wrote stating that they will be unable to play. It was decided that each match be of two days duration and be played on the point system. It was also decided that Mr. Jno. (John) Toon¹ be the hon. Secretary of the trophy committee, and that all clubs pay an entrance fee of 10s 6d. The subcommittee is to consist of the secretaries of the local clubs competing. The rules under which they play were agreed upon, and the final arrangements will be made on Wednesday evening next at 8 p.m. at the Railway Hotel, Box Hill, when all clubs intending to compete must be represented by their delegates.

¹William Meader and John Toon were both playing with Box Hill

The above extract was found in the Reporter newspaper microfilm records, as stored in the State Library of Victoria.

As per the above extract The Reporter Cricket Association was formed in September 1890 by the Reporter Newspaper based in Box Hill. Clubs to field teams in the inaugural season included Blackburn, Box Hill, Canterbury, Doncaster, Mitcham, Surrey Hills and Ringwood. Box Hill went onto win the first premiership. In 1891/92 Burwood won the Gilmour Trophy, while in 1892/93, Box Hill won the Eastern District Cricket Association premiership all of which were sponsored by the Reporter newspaper.

After three seasons the competition went into recess when the full impact of the 1890's recession took hold and clubs arranged their own matches amongst themselves.

In 1898 Phil Plaisted from the Box Hill Cricket Club organised surrounding clubs to play for the Eastern District Trophy which was supported by the Reporter newspaper. This included Box Hill, Burwood, Canterbury, Doncaster, Mitcham and Surrey Hills. After three seasons, the competition folded for the 1901/02 season, simply down to clubs not been organised enough to commit to a fixture.

The Reporter newspaper stepped in again for the 1902/03 season to form the Box Hill Reporter Association, (the 'Reporter') but the Eastern District Trophy was also organised simultaneously so that only four clubs entered the 'Reporter', that being Box Hill, Old Mitcham, Ringwood and Surrey Hills with Surrey Hills winning the 1902/03 premiership.

In 1902 Mr. Edward Hodges, proprietor of The Reporter Newspaper, Mr O. Walker, Mr. W. Kennedy and Mr. J. Tully (re)formed the Reporter Cricket Association. Mr. Hodges guided the destiny of the Association over the following 25 years.

For the 1903/04 season, Blackburn, Camberwell Congregationals, Canterbury, Doncaster Heights, Mitcham District and St. Barnabas all joined the Reporter competition and the association began to take shape. Highlights during this period included by Doncaster Heights' Harry Hughes (2437 runs and 225 wickets from only 35 matches), Wally Boyle's 209 in the 1909/10 grand final and Mitcham belting 4-592 against Croydon earlier that season which remained a competition record for over eighty years.

Hall of Fame Inductees 2026

During the period 1902 to 1910, several nominees for the Hall of Fame made their debut including Joe Beale, Wally Boyle, Robert Brown, Cedric Crouch, Paddy Gilchrist, and Harry Swan.

With clubs such as Croydon, Doncaster Ramblers (East Doncaster), East Burwood, Templestowe, Warrandyte and Wonga Park joining the competition from 1908 to 1910, a B grade was formed in 1910/11. During the period before World War I, Templestowe (A grade 1911/12) and Surrey Hills (1912/13 and 1913/14) were the leading teams in A grade with Ringwood becoming a force.

The Reporter continued to grow with Vermont joining in 1913/14, but with WWI starting in 1914, this put a brake on the competition and by 1916/17 the competition was down to six teams. By 1919/20 the competition was back to fourteen teams and two grades.

The dominance of Ringwood and Paddy Gilchrist in 1914/15, 1915/16 and 1919/20 deserves mention. Ringwood convincingly won the A grade flag in those seasons and Gilchrist made 1,848 runs and took 367 wickets in those three seasons alone (683 runs and 137 wickets, 684 runs and 135 wickets, 481 runs and 95 wickets). Another highlight in 1919/20 was Box Hill's S.B. Gravenell making 238 for Box Hill which remained the highest score until 1976/77. In 1920/21, Doncaster won the A grade premiership after being dismissed for the lowest recorded A grade score of 5 against Blackburn earlier in the season.

Ringwood left the Reporter association in 1920/21 to join the newly formed Ringwood District Cricket Association. East Burwood followed in 1922/23 when they joined the Burwood District Cricket Association.

With twenty-three teams from fourteen clubs entered in 1925/26, the Reporter added a C grade. One club to join this season was St. Peters who later became Box Hill North.

After three record breaking seasons with Wyclif Congregationals in the Eastern Churches competition, Harry Swan returned to Canterbury in 1927/28 and with 105 wickets led his club to another A grade premiership.

Tunstall (later Nunawading) was formed in 1928/29, with Mont Albert forming in 1930/31. Also joining the competition in 1930/31 was the Box Hill Church of Christ who came across from the Eastern Churches association.

From 1920/21 onwards all grades played for premierships in Grand Finals and the era from 1921/22 to 1931/32 was dominated in A grade by Box Hill (3 premierships), Canterbury (five premierships) and Surrey Hills (two premierships). This period culminated in Canterbury's Harry Swan taking match figures of 16 for 162 in the 1931/32 Grand Final against Box Hill. During this period Representative games were played against the Melbourne Cricket Club and on several occasions the BHRDCA team faced Australian cricket legends such as Warwick Armstrong and Bill Ponsford.

In the winter of 1933 saw the Reporter Cricket Association change its name to the Box Hill Reporter District Cricket Association (BHRDCA). No reason is given for the name change, but it may have been to remove confusion with the Ringwood competition and that the association wanted to create separation from the Reporter newspaper.

Hall of Fame Inductees 2026

By 1934/35 the BHRDCA supported thirty clubs fielding forty-four teams in three grades. There were no less than fourteen clubs from the immediate Box Hill area and ground allocation was becoming an issue. Middleborough Park and Mont Albert Reserve supported three grounds while Surrey Park had seven separate pitches, and an eighth was used on occasions.

In January 1935, the Sporting Globe published an article on the BHRDCA.

Forty years ago, Mr.F.G. Hodges, proprietor of the Reporter, presided over a body who played social matches in the Box Hill district. In 1902 he thought that an association should be (re) formed and his idea became an established fact the same year.

Chief amongst those responsible of the association in addition to Mr. Hodges were Mr.O. Walker, Mr.W. Kennedy and Mr.J.J. Tully and others. In deference to Mr. Hodges, who was elected president, the Association was called the Box Hill Reporter Association.

Mr. Hodges, who is now a councillor at Healesville, guided the destinies of the Association for 25 years and on resigning the presidency (in 1919) was handed over to Mr. Horrie Kent, who proved a worthy successor. During Mr. Kent's regime inter association fixtures were arranged, and the Association was made a more virile body. He was a free donor of trophies, and his services were recognised with a life membership.

Mr. Robert R Gall succeeded Mr. Kent and held the reins to close of last season when he handed over to Mr. Harry Swan.

Mr Ben Broadbent took over the secretarial duties in 1918, when ten clubs comprised that the competition and during his term of office rapid progress was made. Today, 44 well conducted teams from 30 clubs playing in three sections is the strength. Mr. Broadbent was succeeded by Mr. Herb D Riddell who is still in office.

The association has unearthed several good cricketers, including Percy Chivers (Northcote), William Scott (University), Vic Chambers (Camberwell), Robert Brown (Camberwell), Harold Britt (Collingwood), Jim Mullens Jnr (Fitzroy) and C. Mullens (Collingwood).

The association is enterprising and annually plays matches on turf against Melbourne, Richmond and Camberwell, while the representative team in inter-association games has always given a good account of itself.

A fine crowd of experienced officials, working in harmony, is the main reason for the Association's success.

In 1935 The Eastern Suburbs Cricket Association (ESCA) announced that they would be starting a turf competition from 1936/37. From 1935/36 Surrey Hills and Balwyn left the BHRDCA to join ESCA. They were followed by Mont Albert in 1937/38 and Canterbury in 1938/39 with Box Hill moving across to the Victorian Turf Cricket Association in 1937/38. In three seasons, the BHRDCA had lost three clubs who had won twenty-four of the forty-two A grade premierships won thus far. (Canterbury 12 flags and both Box Hill and Surrey Hills 6 apiece). But BHRDCA President Harry Swan summed it up best, when he declared that turf wickets was for the betterment of cricket in the Eastern Suburbs.

With arch-rivals Canterbury leaving the competition, East Doncaster was heavily favoured to dominate the competition after winning A grade in 1936/37. With the Britt brothers and Rupert Zerbe, the club had some of the leading players in the competition, but this fell apart in December

Hall of Fame Inductees 2026

1938 when the Britt's were reported and were subsequently suspended until the end of the season. In defiance East Doncaster's A grade team forfeited the remainder of the season and joined ESCA in 1939/40

This left a void that was filled by the Box Hill Church of Christ who became the first club to win three A grade premierships in a row from 1938/39, 1939/40 and 1940/41.

World War II started in 1939, and all cricket associations suffered as a result. Most continued in a reduced form as it was felt that it was good for the community to continue with some normality despite rations and other restrictions. In 1942/43 and 1943/44 only eight teams were fielded in a one-day grade with eighteen and twenty-one rounds fixtured respectively. Vermont won their first A grade flag in 1942/43, while Athol Reed led the Box Hill Methodists to the 1943/44 premiership with a record 1,326 runs including six centuries.

After the 1943/44 season the BHRDCA was rocked by the sudden death of President and Canterbury legend Harry Swan. Swan had served ten years as BHRDCA President and was dominant influence in cricket throughout the eastern suburbs.

East Burwood returned to the BHRDCA in 1944/45 and started their period of dominance with Mitcham. Over the next eleven seasons from 1944/45 to 1954/55, East Burwood (six) and Mitcham (five) won all eleven A grade premierships.

The Tunstall club had returned to the BHRDCA in 1945/46 and changed their name to Nunawading in 1947/48. East Doncaster also returned in 1947/48 and won the B grade premiership while Ray McIntosh took 123 wickets for St. Andrews Combine in C grade.

The BHRDCA started their first Under 16 competition in 1948/49 with Box Hill Technical School winning the first premiership. The Meadow Cricket Club (Blackburn North) was formed in 1948/49 and was followed by the Doncaster Footballers in 1949/50.

'D Grade' was introduced in 1950-51 which was the same season that Warrandyte returned to the competition after leaving in the mid 1930's. Mitcham became the first club to win three premierships in a season with wins in A, B and D grades. In 1951-52 Doncaster and Doncaster Heights merged. This season saw Mitcham lead East Burwood after the first innings of the A grade grand final, but refuse to play on the third day, forfeiting the match under BHRDCA rules.

In 1953-54, Ray McIntosh was elected BHRDCA Secretary, which was Bernie Keenan's last season as BHRDCA President after serving seventeen years on the BHRDCA committee.

In 1955/56, Doncaster left the competition and joined the ESCA after the installation of a turf wicket at Schramm's Reserve. They changed their name to Doncaster Districts, eventually merging with Fitzroy in 1986 to form Fitzroy-Doncaster. Warrandyte celebrated their centenary in January 1956 with a game against a VCA side that included former Australia test players Bill Ponsford and Jack Iverson.

In 1955-56, the Doncaster Footballers won the A Grade premiership which signalled the end of the period of dominance by Mitcham and East Burwood. In a performance rarely equalled, the Footballers' Keith Read made 126 and took 6-46 in the semi-final against Vermont, followed by 124 and 5-29 against Blackburn in the grand final.

Hall of Fame Inductees 2026

At the start of the 1957/58 season the BHRDCA fielded 31 sides between four grades and fifteen clubs. Blackburn, East Burwood and Mitcham were the only club fielding three sides or more. In comparison, the Eastern Churches fielded 59 sides between 48 clubs and five grades, while ESCA fielded 69 teams between six grades (inc. three turf grades) from 38 clubs. The Burwood competition was smaller with 20 teams from fourteen clubs. In 1957/58 Nunawading won their first 'A Grade' flag which was followed two years later by Blackburn with their second 'A Grade' flag, their first since 1932/33. During 1957/58 Templestowe's Les Stoneham took a BHRDCA record 10 for 13 against East Doncaster in D grade.

In 1958/59 the current points system of 10 points for an Outright and 6 points for a first innings win was adopted.

The introduction of Forest Hill (1955/56), the Box Hill Adelphians (East Box Hill) (1956/57), St. Luke's (1958/59) and Bulleen (1960/61) reversed the decline of clubs within the BHRDCA. By the early 1960's these four clubs were fielding multiple sides and the competition that had stagnated through the 1950's started to expand as did the City of Nunawading which was adding 1500 houses to the municipality every year. BY 1964/65 there were 52 teams.

After winning the B grade premiership in 1960/61, Bulleen won every A grade home and away game in 1961/62 before losing the semi-final to Blackburn. Blackburn went on to win three premierships in A, C and D grades.

'C Grade' was split into 'C1' and 'C2 Grade' in 1963/64, which saw Bulleen break the Nunawading and Blackburn streak of 'A Grade' premierships. Bulleen were fortunate to win after their leading player John Wilkins was suspended by the BHRDCA tribunal for five years after incidents in the Semi Final. At one stage, the BHRDCA committee discussed kicking Bulleen out of the competition and while the subsequent delegates vote allowed Bulleen to stay, this resulted in both the President (Tom Reeves) and Secretary (Ray McIntosh) resigning their posts, albeit temporarily.

The under 14 competition started in 1964/65 and Donvale joined the competition.

The competition continued to grow with the introduction of Parkview (Heatherdale) and St. David's in 1965/66. The Meadow club shifted their base from Surrey Park to Blackburn North and changed their name to align with their new location. In the 1965/66 A grade grand final, Bob Saker made 191 against the Doncaster Footballers. In 1966/67 B grade was divided into B1 and B2 grade while East Burwood Methodists and Doncaster Church of Christ joined the BHRDCA. Blackburn's Tom Cullen made 341 in the 1967/68 under 16 grand final.

The BHRDCA grew substantially in 1968/69 with the collapse of the Burwood District Cricket Association. This meant that the Burwood Socials, the Hartwell Baseballers, Hartwell Church of Christ, North Burwood, and the Wattle Park Presbyterians all joined the competition along with new clubs Blackburn South High School, the Templestowe Footballers and Yarraleen. In the same season St. Peter's changed their name to Box Hill North and Parkview changed their name to Heatherdale. Both the Doncaster Footballers and East Burwood became the first clubs to field five senior sides. BHRDCA secretary, Ray McIntosh, stated that with 66 senior teams and 39 junior teams, the Association becomes the fifth in existence with 100 or more teams.

Hall of Fame Inductees 2026

In 1969/70, A grade was renamed A1 grade with an A2 grade entered in the slot between A1 and B1. The E/Bees (Eley Park) joined the competition while the Box Hill Adelphians started thinking about a new name for their club. Settling on Laburnum this raised the ire of the City of Box Hill who told the club they could not have a name that belonged in the City of Nunawading – so they eventually agreed on East Box Hill in 1971/72.

The period 1957/58 to 1969/70 was dominated by Nunawading who won six premierships and Blackburn who won five premierships during this thirteen/year period. The Doncaster Footballers were unlucky enough to lose five A grade Grand Finals over the same period.

In 1970/71, Heatherdale and the Doncaster Footballers played in the A2 Grand Final which ended in an outright tie – with both teams sharing the premiership. Vermont ended the dominance of Blackburn and Nunawading by securing the 1970/71 A1 grade premiership. That all four Vermont teams finished last in their respective grades two years earlier made this an even more outstanding achievement.

D grade was split into D1 and D2 grade for the 1971/72 season and an under 12 grade was introduced. St. Luke's returned to the competition after leaving in 1966/67 while the Doncaster Footballers finally won their second A grade flag since 1955/56. Tragedy struck in the first round of the 1972/73 season when long-term BHRDCA administrator and Vermont stalwart Jack Herring collapsed and died on the pitch against East Doncaster. Donvale District, Mitcham YCW and Wattle Park joined the competition in 1972/73 which saw all East Burwood's five sides make finals. Forest Hill celebrated their first A1 grade premiership after seventeen years in the BHRDCA.

The BHRDCA expanded by thirteen teams in 1973/74, increasing from 91 to 104. After several years of discussion, Shield Grade was introduced and it was marked by a remarkable grand final, when Nunawading lost eight wickets in their second innings chasing a small target before gaining outright victory. Russell Baird took 14 wickets for Nunawading in a match-winning performance. In C1 grade Lutheran posted a BHRDCA grand final record of 9/511 to win a flag in their first season.

Donvale's turf wicket was finally ready, and they left the BHRDCA for a second time after 1973/74. Mitcham YCW also left the BHRDCA voluntarily after issues with their behaviour and their dislike for umpires (and other clubs!) along with E-Bees and Templestowe Footballers for financial reasons. As a result of these departures the number of teams dropped to 97. The grading committee recommended the Shield Reserve grade which was adopted. This meant that Shield grade second XIs were placed in this grade, while A1 and A2 grades were removed, with A grade returned to field the remaining second-tier first XI's. Shield Grade was won by East Burwood over Bulleen, who jumped up the ladder after the arrival of Max McColl who took 67 wickets for the season.

Bulleen and Warrandyte left the BHRDCA before the start of the 1975/76 season, while East Doncaster advised they would be leaving at the end of the season. After nineteen years in the doldrums, Mitcham charged home at the end of the season and thrashed Forest Hill by 399 runs in the Shield grand final with a score of 490.

Hall of Fame Inductees 2026

The highlight of the 1976/77 season was the Shield grand final which was won by Nunawading who piled on a grand final record score of 6 for 558 with ex Forest Hill player Ray Gale making 123 not out and Trevor Hutchins posting his legendary 238 not out which equalled the highest individual score in BHRDCA history. At the end of this season Ray McIntosh retired and from 1977/78 the Shield grade was played for the Ray McIntosh Shield.

Vermont South was formed in 1977/78 while the Wattle Park Presbyterians changed their name to Bennettswood. There were five clubs now fielding five or more teams at various levels of the competition. This was the first season where there were three McIntosh Grades for the top tier clubs and A1 and A2 grade for the second-tier clubs. Promotion meant that a clubs top three sides would be moved into McIntosh Shield grades.

In line with international cricket 6-ball overs were introduced and helmets were allowed in 1979/80.

The rise of Heatherdale as a competition force came to fruition in 1980/81 when their top four teams won A1, A2, C1 and C2 premierships – the first club to win four flags in a season. Box Hill North won their first Shield premiership after fifty-six seasons and in B1 grade, Frank Horne took 10 for 22 for Bennettswood against Yarraleen.

There was controversy after the 1980/81 season when Vermont left the BHRDCA for the Ringwood competition after having all their points stripped before the finals as a penalty for being deemed non-financial. In 1981/82 Koonung Heights joined the BHRDCA from the Eastern Churches, while the Len Toogood Award for the Best & Fairest player in Shield grade was first struck. 129 teams were entered in 1981/82.

Heatherdale won their first Shield premiership in 1982/83 while Bulleen Templestowe won flags in A1, A2 and A3 grades. The 1984/85 season saw Shield Clubs Box Hill North and St. Andrews merge, although many players were lost in the process. Rising power, Bennettswood won the A1, A2 and A3 premierships which included their effort to chase down 407 to defeat Blackburn South in the A1 grade final. Frank Horne posting 198 not out as Blackburn South suffered their third A1 grand final loss in four seasons. Eley Park's B. Pliatsos made 246 not out in A2 grade to set the new highest senior individual score in the BHRDCA.

The 1985/86 season saw three amazing finishes in the grand finals. The McIntosh Shield was won on the last ball of the game, with Heatherdale's last pair scrambling a leg bye to pass Nunawading's score of 342. The Shield 3rd grade was ruled a tied after Mitcham and Forest Hill could not be separated on 307 apiece (the scorebooks did not match). In A1 grade, Vermont South and Blackburn South tied the match on the last ball, with three members of the Mann family involved in the last ball run-out. This was both clubs first A1 grade premiership and they were both promoted to Shield grade.

Historian Note: - the period from 1986 to 2025 is a work in progress, therefore lacking in detail provided earlier.

Legendary BHRDCA umpire Fred Watson celebrated his 40th season within the BHRDCA in 1986/87 and the second tier first XI Best & Fairest Award (now Wilson Shield) was struck in his honour. Alex Gagatsis hit a competition record 269 for Surrey Park this season. In 1987/88 the

Hall of Fame Inductees 2026

McIntosh Shield grade was reduced to the one level with first tier second and third XI's spread between the A1, A2 and A3 grades. Park Orchards returned to the BHRDCA after leaving in 1982.

Syndal became the first club to move across from the Oakleigh District Cricket Association in 1988/89. Subsequently the Glen Waverley Hawks (1991/92), the Mazenod Old Collegians (1992/93), Wheelers Hill (1993/94), and Glen Waverley Northvale (1994/95) made the move to the BHRDCA with the Oakleigh association folding after the 1993/94 season.

There was a changing of the guard with Bennettswood (1988/89 and 1990/91) and Eley Park (1989/90) winning McIntosh Shield premierships, followed by East Box Hill in 1995/96.

One of the more important mergers in recent years occurred with East Burwood and Bennettswood combining to form East Burwood Bennettswood in 1993/94 (changed name back to East Burwood in 2013/14). In December 1993, Andrew Mills from Nunawading Church of Christ blasted 349 not out at Laburnum Primary School.

For the Centenary season of 1994/95, Vermont returned to the BHRDCA after playing in the Ringwood association for thirteen years. For the centenary celebrations 33 clubs fielded a record 137 teams. Only in seasons 1998/99 and 1999/00 has the BHRDCA fielded this many senior teams. Despite this, some clubs were struggling with the Box Hill Church of Christ and Surrey Park down to one team and Burwood Heights Uniting folding in 1996 after thirty-one seasons in the competition.

For several years Peter White had been gauging interest between clubs and associations regarding commencing an Over 40's competition. The Ringwood association had started an Over 40's competition in the early 1990's and with entries from Eley Park, Koonung Heights, Mitcham and Surrey Hills the first Veterans season took place in 1997/98 with Surrey Hills winning the first flag.

In 1997/98, Kerrimuir United came across to the BHRDCA from ESCA. Glen Waverley Northvale changed their name to the Mulgrave Country Club. In 1999/00 Surrey Park merged with the Mountain Crusaders to form Deakin.

Waverley joined the competition in 2001/02 which negated Mazenod Old Collegians installing a turf wicket and moving across to the Eastern Cricket Association (ECA). Vermont created a new record when winning their fourth McIntosh Shield premiership in a row.

2002-03 saw the introduction of dedicated one-day grades with C1, C2 and C3 grade used for this purpose. D grades were not used and B4 grade was introduced as an additional 2-day grade. In 2003/04 the BHRDCA introduced the 'Best-of-3' concept in the one-day grades meaning that a team needed to win two grand finals to take the premiership. In 2004/05 additional tweaking was done with 65 over innings introduced in C grade and the One-Day fixtures moved into the D1 and D2 grade.

The final stage of the transition to One-Day grades was completed in 2006/07 when One-Day A and One-Day B grades were formed in place of D1 and D2 grades. The Box Hill Church of Christ changed their name to Elgar Park despite opposition from many long-time members. An Under

Hall of Fame Inductees 2026

18 grade was introduced in 2007/08 and the My Cricket system was adopted by the entire competition in 2008/09.

The Howard Wilson grade was introduced in 2010/11 with A1 and A2 grade change to A grade only. The BHRDCA introduced a mid-week Twenty20 competition to take advantage of its sudden burst in popularity. Wheelers Hill and Mulgrave Country Club merged in 2011/12 to form Mulgrave Wheelers Hill. B1 and B2 was removed with B grade used. Split Innings was introduced in 2012/13 and C1 and C2 grade was absorbed into one C grade.

In a sign of more professional times the BHRDCA appointed a paid administrator and marketing manager for the first time in 2013/14 with Stephen Flemming and Emma Boschetti appointed to the new roles. The same season saw Doncaster and Elgar Park merge as did Box Hill North and the Melbourne Super Kings. The Nunawading Church of Christ changed their name to Laburnum. The highlight of the season was the unbeaten 425 run opening partnership between Forest Hill's Ben Johnston and Charles Erasmus which had many scurrying for the record books.

With the failed merger between the ECA and SDCCA occurring in 2014, both Manningham and Wyclif came across to the BHRDCA in 2014/15. This season saw the Dorothy McIntosh Shield introduced and the McIntosh Shield second XI grade removed for the final time. The competition celebrated its 125th anniversary with a successful function held at Box Hill City oval in January 2015.

After several years of proposal and debate, the ECA created their own Veterans grade in 2015/16 which meant a number of clubs such as Mont Albert and North Balwyn left for the new competition. The BHRDCA completed their calibration of grades with the re-naming of the One-Day grades to H, I and J grades.

Starting his senior career back in the mid 1970's with the Wattle Park Presbyterians, BHRDCA Legend Mark Jones produced one of his greatest performances in the 2016/17 McIntosh Shield grand final with 8 for 42 for East Burwood against Vermont. This was East Burwood's first Shield premiership since 1974/75.

The BHRDCA had fielded an Over 50's Legends competition since 2007/08, but in 2017/18 Veterans Cricket Victoria (VCV) was created after discussion between Peter White and the Victorian Over 60's competition. Starting with only BHRDCA clubs in the first year, by 2025/26 the VCV had become a truly statewide competition and part of a greater Australian national competition. With the ECA starting their own Veterans competition in 2015/16, the BHRDCA had gone from a peak of 76 Veterans teams in 2014/15 to 24 teams in 2018/19.

To celebrate Peter White's contribution to the BHRDCA, the Peter White Shield was struck for the fourth level grade. COVID19 struck in March 2020, and the second day of the McIntosh Shield Grade grand final was cancelled. As Forest Hill had finished on top of the ladder, they were awarded their third successive premiership.

After several years of planning Play HQ was implemented in 2023/24 as the replacement for My Cricket. The Box Hill North Super Kings won their second McIntosh Shield premiership in succession.

Hall of Fame Inductees 2026

Despite losing Heatherdale and Vermont to the Ringwood District Cricket Association after the 2023/24 season the BHRDCA supported thirty-seven clubs in the 2024/25 season. This included:

-

Seniors: -	14 Grades, 28 Clubs, 103 teams
Juniors: -	16 Grades
Veterans: -	3 Grades, 18 teams
Twenty20: -	8 Grades, 48 teams

In 2025/26 the BHRDCA continues to be as strong as ever, led by BHRDCA President Peter Rosenthal who is currently in his fifteenth season in the role – easily a competition record.

Appendix One – Top Grade Premierships

Top Grade Premierships

The Top Grade is that recognized as the highest level of cricket played in the association during any given season. Since 1890-91, the top level has had seven names with the current title; McIntosh Shield – introduced in 1977-78 in recognition of the long service of Ray McIntosh as a player from 1922 to the mid 1950's (along with an additional 10 years in West Gippsland) and as Association Secretary from 1953-54 to 1976-77 (except 1960-61 when Jack Lennox acted in the Secretary's role).

The below identifies the name of the highest grade in Reporter Cricket

Reporter	1890/91
Gilmore Shield	1891/92
Eastern District Trophy	1892/93
Eastern District Trophy	1898/99 to 1900/01
A Grade	1902/03 to 1968/69
A1 Grade	1969/70 to 1972/73
Reporter Shield	1973/74 to 1976/77
McIntosh Shield	1977/78 to 2013/14
Ray McIntosh Shield	2014/15 to current

- ❖ No competition 1893/94 to 1897/98 inclusive
- ❖ No competition 1901/02
- ❖ A Grade played for the Standard Shield (1920-21 to 1924-25), the Kent Shield (1925/26 to 1934/35) and the Nutting & Young Shield (1935/36 to WWII). The club that was first to win three premierships would keep the shield. This practice appears to have ceased at the start of WWII. Canterbury holds both the Standard and Kent Shield while the whereabouts of the Nutting & Young Shield, held by the Box Hill Church of Christ after their third flag in 1940-41 is unknown.
- ❖ There is reference to A Grade playing for the Bristco Plastic Shield in 1963/64 and evidence has surfaced that numerous shields were struck prior to Shield grade starting in 1973/74.
- ❖ The association changed its name from the Reporter District Cricket Association to the Box Hill Reporter District Cricket Association (BHRDCA) prior to the start of the 1933/34 season.

THE FOLLOWING CLUBS HAVE WON ONE PREMIERSHIP: -

Burwood (1891-92); Kew (1900-01); Old Mitcham (1903-04 shared); Doncaster Heights (1906-07); Camberwell (1907-08); St. Andrews (1933-34); East Doncaster (1936-37); Bulleen (1963-64); St. Davids (1978-79)

Notes: -

- ✚ Kew (1900-01) won a premiership in its only complete season in the Reporter Association
- ✚ Old Mitcham and Box Hill shared the 1903-04 premiership after finishing equal on points on the ladder. By late April 1904, the competition had run out of time to play a deciding match with the association determined not to let this situation occur again.
- ✚ Vermont is the only club to win four successive premierships from 1998-99 to 2001-02.
- ✚ Box Hill Church of Christ (1938-39; 1939-40 & 1940-41); East Burwood (1951-52; 1952-53 & 1953-54) and Forest Hill (2017-18; 2018-19 & 2019-20) are the only clubs to win three successive premierships.
- ✚ Surrey Hills lost three successive grand finals from 1924-25 to 1926-27.
- ✚ From 1944-45 to 1954-55, all eleven premierships were shared between Mitcham (5) & East Burwood (6)
- ✚ From 1957-58 to 1966-67, nine premierships were shared between Nunawading (5) & Blackburn (4) with only Bulleen (1963-64) breaking the sequence.
- ✚ Boroondara (1892-93), Mitcham District, Blackburn South and Vermont South are the only clubs to finish runners-up but not win a premiership.
- ✚ East Burwood-Bennettswood also finished runners-up without winning a premiership, however both East Burwood and Bennettswood won premierships as separate clubs before their merger.
- ✚ From 1995-96 to 2005-06, East Box Hill played in six grand finals for two premierships.
- ✚ Forest Hill was awarded the 2019-20 premiership after the second day was abandoned when Cricket Australia and in turn Cricket Victoria banned cricket immediately owing to the impending impact of the COVID-19 Coronavirus across the entire country.
- ✚ Both the 2020-21 and 2021-22 grand final were played as one-day games after the season started in November due to COVID-19 restrictions. All fourteen home and away games were played as one-day games.
- ✚ Vermont finished runners-up six times from 2011-12 to 2023-24.
- ✚ This list includes premierships won during WWI and WWII. Although Shields were 'retired' during

Hall of Fame Inductees 2026

these years, BHRDCA Heritage is of the view that the standard of matches and players continuing during these years justifies inclusion on any premiership list.

How did the Hall of Fame come about?

The idea was first discussed around the time of the BHRDCA 125th anniversary held in January 2015, but for many reasons – particularly the transition from My Cricket to Play HQ from 2021 to 2023 the initiative never went past the idea stage.

The BHRDCA Executive decided in early 2025 to revive the initiative and BHRDCA Vice President, Ross Kainey was asked to lead the implementation and first intake of the Hall of Fame.

Hall of Fame Criteria

The following was the agreed criteria, as determined by the Hall of Fame Committee.

Nominations

Each club was asked to nominate three people, including one deceased. The following are the areas of consideration.

First XI

Minimum 10 years 5000 Runs or 400 Wickets (3000 Runs + 250 Wickets for all-rounder)

BHRDCA Administrator

15 Years on BHRDCA Committee(s)

Match Official

20 Years Umpire, Club Scorer, Team Manager

Club Official

20 years on Club Committee(s) or Club Administration

Spirit of Cricket and involvement Junior Cricket

Additional Criteria (non-First XI)

400 Club Games | 10,000 Runs | 700 Wickets

6,000 Runs + 500 Wickets allrounder | 250 Fielding dismissals

Note 1 – A combination of the above can be accepted as nomination, including where nominee has been involved with Multiple clubs.

About the Historian and the BHRDCA History project

Andrew Lambert comes from the East Doncaster Cricket Club (EDCC). Andrew has been the historian and statistician of EDCC since March 1993 and has written five volumes on the history of East Doncaster CC. Andrew remains actively involved at East Doncaster Cricket Club and enjoys contributing to bar sales whenever possible.

c.2009, then BHRDCA Secretary John Toogood, appointed Andrew to the position of BHRDCA Historian. Work properly commenced in May 2010 when a CD containing twenty-five years of Reporter newspaper Microfilm records (from 1909 to 1934) was handed to Andrew by Stephen Goddard from the Warrandyte Cricket Club.

Besides the BHRDCA Centenary book written by Mike Dwyer and some old annual reports, it was a surprise that there wasn't that much information that had been accumulated. But by late 2014 a comprehensive history of the competition until the mid-1960's had been put together using the newspaper records found, information supplied by clubs and other information provided by Stephen Flemming, Stephen Tully, John Toogood and many others.

As part of this initial research, it was acknowledged in that the Reporter Cricket Association was formed in September 1890, not 1894 as previously thought. Subsequently the 125th anniversary held in January 2015 showcased the BHRDCA and club history gathered to that point.

Since 2015, the BHRDCA history has expanded with a detailed statistical history from 1890 to 1985/86 completed and an additional document detailing the statistical history from 2008/09 to 2023/24 using extracts from the My Cricket database before it was closed and the data transferred to Play HQ. Play HQ data is now used to update records at the end of each season.

Andrew has now started work on filling the historical gap between 1986/87 and 2007/08 – a project that will take several years. It is anticipated that this project will create a complete and detailed statistical record of the competition and all the clubs and everyone involved within.

This all contributes and assists the Hall of Fame committee into reviewing all future nominations that are submitted.

Acknowledgements and Thanks

The Hall of Fame would not have been possible without the efforts of the following.

Hall of Fame Force of Nature – **Ross Kainey**

Booklets, Booking, Seating, Organising etc. – **Jo Fairy & Lynda Richardson**

The Hall of Fame committee – who helped put together the criteria: -

- Steve Carusi;
- Darren Croft;
- Simon Meade;
- Maurie O'Dal;
- Phil Hermann;
- Peter Rosenthal;
- Steve Tully

The **BHRDCA Historian Andrew Lambert** would also like to thank: -

Mike Dwyer – for kick-starting the BHRDCA History back in 1994.

Stephen Flemming – for the 10 years of support, suggestions, corrections, input (and My Cricket Admin access)

Ian Scholefield – for his ideas, research, proof-reading and incredible finds – we'd only scratched the surface before Ian sadly passed in October 2024.

John Toogood – for directly appointing me as BHRDCA Historian without both of us knowing where it would lead.

Peter White – for all his encouragement, wisdom and Veterans information. A wonderful person and sadly missed.

Stephen Tully – for leading the BHRDCA Heritage committee for over a decade and both **Peter Rosenthal** and **Michael Van Zuyden** for their on-going support in all matters.

To all the **Clubs** and all the **Administrators** and **Players** who've allowed me access to all their records and have shown an active interest in what we do

From the President...

Reflecting on the extraordinary depth and breadth of the Association's history, across more than 135 seasons, the BHRDCA has evolved through changing eras, competitions, formats and communities, yet its core values have remained constant. The premiership records, honours and achievements documented in these pages speak not only to success on the field, but to the enduring commitment of clubs and individuals who upheld the spirit of cricket across generations.

The establishment of the Hall of Fame marks an important milestone in formally recognising those whose contributions have shaped the Association beyond a single season or statistic. This initiative ensures that excellence - whether through playing achievement, administration, officiating or service - is preserved, celebrated and passed on to future generations. It provides a framework for honouring the past while guiding the values and aspirations of the BHRDCA into the future.

The Association extends its sincere thanks to those whose dedication made the Hall of Fame a reality. Recognition must be given to Ross Kainey, whose leadership and tireless commitment drove the concept from long-held discussion to successful implementation. Appreciation is also extended to Jo Fairy and Lynda Richardson for their work in coordinating the booklet, event logistics and organisation. The Hall of Fame Committee -Steve Carusi, Darren Croft, Simon Meade, Maurie O'Dal, Phil Hermann, Peter Rosenthal and Steve Tully - is thanked for developing the criteria and carefully reviewing the inaugural nominations with diligence and respect for the Association's history.

Finally, the BHRDCA acknowledges the invaluable contribution of Andrew Lambert, whose work as Historian underpins not only this booklet, but the broader preservation of the Association's heritage. Andy's research, supported over many years by individuals including Mike Dwyer, Stephen Flemming, Ian Scholefield, John Toogood, Peter White, Stephen Tully, Peter Rosenthal and Michael Van Zuyden, has ensured that the stories of clubs, administrators, umpires and players are recorded with accuracy and care. To all clubs, administrators, players and volunteers - past and present - the Association offers its gratitude. This Hall of Fame stands as a tribute to you and to the proud legacy of the Box Hill Reporter District Cricket Association.

Regards,

Peter Rosenthal, President BHRDCA
